Cow Country Quarter Horse Association's 12th Annual Horse Sale is Friday and Saturday, September 2nd and September 3rd at the Eastern Montana Fairgrounds in Miles City.

If you have not received a catalog you may view it online as ccqha.org. There is a big red 'button' to click.

Our members always consign some great horses and it keeps getting better. If you haven't looked yet you need to, the quality is the best I have seen in any catalog so far. Check them out for yourself.

For a list of stallions nominated or more information and any of our events and payouts you should be easily find it all at the Cow Country Quarter Horse Association (CCQHA) website.

Last year's catalog (2010) is on website under the Documents heading. Just click the title and you are there, thanks to the magic of our webmaster Jesse Smith who ,if any of you visit often, will note he makes a lot of changes for this club throughout the year to keep our website updated. **Thanks Jesse.**

CCQHA did not start annual horse sales until 1999. But our organization has stood firm in dedication to promoting horses and horse related events for a long time, with a history we are proud of. Since 1958.

If you visit our website at ccqha.org, you will find a list of the nominated stallions, our online catalog, and details of our rules for the entries and events for this year's sale in 2011.

CORRECTIONS TO TIMES AND RULES FOR 2011

I do have a couple of corrections for this sale in that the **Outback Barrel Race** will meet at **9 am** sharp to start at 9:30AM not at 11AM as previously stated.

NOTICE: Please check your copy of the **Futurity Rules (this includes the Youth Show, and the Sale and Breeders Futurities)** for the upcoming event on **September 2, 2011**. There is a misprint in the **CCQHA rules mailed out last spring for the Reining Pattern for Three Year Olds**. The pattern is correct, and the rules on the CCQHA website are correct.

Rule #2 needs to be corrected as follows:

2. Run up center of arena past the end marker and come to a sliding stop. Complete 2 1/2 spins to the RIGHT (NOT THE LEFT)

New this year for 2011 the CCQHA will host their first CCQHA **Cow Country Trade Show** in conjunction with the Sale and Futurities. Nicole Seeking from her shop Nicole's will be there, Kasie Killen who does awesome cowgirl bling items such as belts, flip flops and makes custom totes and purses, we are hoping to have Scott Hufferber of Dally O Western Wear, 73 Quarter Horses will be there to showcase their new custom tack line , daughters of Doug and Lavetta Weeding of Weeding Performance Horses are so talented and offer awesome custom cowgirl jewelry and custom hand

beaded tack , and several others have said they are interested, so we should have a nice variety .

So head over to the Agri Sports Building before, after, or in between the Futurities , Team Roping, or Barrel Racing and you can get some great food at the Roadrunner Catering Truck and get out of the sun for few minutes, and browse sale horses and the trade show all in one building!
